

▼ Allerton Grange Fields Environmental Improvement Survey

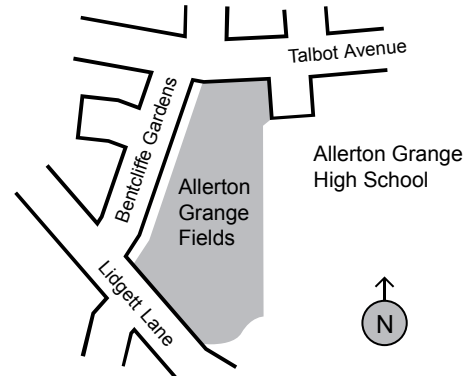

by The Friends of Allerton Grange

We need your input!

The Allerton Grange Fields are to become publicly accessible for community use following the completion of the construction of the new Allerton Grange School in the summer of 2010.

The Friends of Allerton Grange (which is a voluntary association made up of local residents) is seeking to protect and enhance the fields for present and future generations to enjoy. We are looking for the input of local residents on the following:

What do think of this field?

.....

.....

How should it be used?

.....

.....

How would you like to see it improved?
